Methionine	0.11%	Iron (Mg/Kg)	88.00	Vit B2 (Mg/Kg)	4.00
Cystine	0.13%	lodine (Mg/Kg)	0.20	Vit B6 (Mg/Kg)	0.80

Does Not Contain Restricted Animal Materials

Ingredients

Your local distributor:

Cereal Hulls, Vegetable Protein Meal, Molasses, Macro and Micro Vitamin and Minerals, Yeast, Mould Inhibitor, Enzymes.

Sweetbulk is a moist, cool, total ration for mature horses (for maintenance or light work), ideal for recreational horses.

Sweetbulk is an ideal replacement for wheaten or oaten chaff. Sweetbulk can be used as the roughage component in a minimum cost formulation for high performance diets. Sweetbulk can be used in conjunction with a grain mix or concentrate when higher levels of nutrition are required due to increased activity, growth, breeding, lactation or cold weather.

Manufactured in Wagin, WA & Baradine, NSW
